BRIEF ABSTRACT OF LETTER.

Requests that instns may be issued to the Comptroller for the disbursement of pay, whatever it may be — to all Lib Asst Surgeons hitherto entertained or to be hereafter entertained by him in Ahen than the lowest class under G.O no: 3172-3V dated 2.11.11, so long as the Sanctd no: of Lib Asst Surgeons is not exceeded. med 53-11

NOTES AND ORDERS.

The point for consideration and orders is whether the authority vested in the Senior Surgeon by G.O. dated 2.11.11 to entertain new men as Lib Asst Surgeons in other than the lowest class should be regarded as intended to enable him to fill up only the Vacancies

which existed on 25.8.11 the date of the Senior Surgeon's letter on which the order was issued or to concede to the Senior Surgeon a general authority to entertain (without limit) Lib Asst Surgeons in any class according to exigencies. The Senior Surgeon, however, puts the latter interpretation on the order and requests issue of instns to the Comptroller for disbursement of pay to all the Lib Asst Surgeons hitherto entertained or to be hereafter entertained by him in any class.

2 In the memo noted with his letter, the Senior Surgeon has shown that there are 12 (x) permanent & 3 temporary vacancies yet to be filled up, excluding two vacancies caused by the loan of two Lib Asst Surgeons to the B.W.D for employment at the Kannambad Reservoir works. (The authority under which two men were sent to the B.W.D is not known). The Senior Surgeon seems to suppose that he has power

Sir,

I have the honor to state that the Senior Surgeon in his No.G.612 dated 27th June 1910 brought to the notice of the Government that the then existing strength of medical subordinates was 169 including 2 male Apothecaries and submitted that the actual number required was 206. This number included a reserve of 20% over the actual distribution, the reserve being needed to take up t places of those absent on leave, sickness, or emergencies in connection with Health work.

2. While this question, viz,- sanctioning of an increase to the strength so as to bring up the total number to 206 was under consideration of the Government permission was sought of and obtained from the Government to advertise the vacancies then existing viz,- 12 permanent & 3 temporary and to invite applications for filling up the same.

3. In my No.G.85 dated 25th August 1911 I reported to the Government that in spite of my advertising and writing to the Principals of the [illegible] no body was

SUBJECTS.

Requesting to kindly issue orders to the Comptroller for disbursement of pay of the Sub Assistant Surgeons and to be entertained entertained to fill up the vacancies

Assistants (now Sub Assistant Surgeons) on Rs 25/- per mensem and in view to enable me to overcome the great inconvenience caused from want of sufficient hands, I solicited permission to entertain such of the applicants as had passed the L. M & S., examination and one candidate who had undergone the full course of studies for the L.M.S. degree, as 1st Class Hospital Assistants on Rs 60/- per mensem and others on Rs 40/- per mensem. I also begged permission to offer higher salaries if I could not get men on Rs 40/- per mensem.

4. In the conference held in the Dewan's chambers wherein were present, the Dewan and the then Councillor in charge of the medical port-folio (Mr. K.P.Puttanna Chetty) I fully explained my difficulties and the necessity of the Government kindly relaxing the rule, viz,- to start all new comers as Hospital Assistants of the last grade.

5. Government in their No.3172-3/Med.5-3-11 dated 2nd November 1911 kindly sanctioned my proposal and ordered that those that had passed the L.M.S. degree examination should be appointed on Rs 60/- per mensem, but that the other selected men should be started on Rs 30/- per mensem in fairness to the men already in the Service and graciously permitted me to start men in a higher class should I find it indispensable to do so in the interests of the Medical Department, but stipulated that these men should be included in a separate list.

In accordance with this Government Order I went on entertaining men to fill up not only the vacancies viz,- 12 permanent & 3 temporary that existed at the time I addressed my No.G. 85 dated 25th August 1911 but also the 11 reserve that the Government sanctioned in their No.3078-9/Medl.236-09-2 dated 30th October 1911 and vacancies caused by deputation of 2 men from the permanent strength to the Kannambadi Reservoir Works and one for charge of the newly to be opened Megarvally Dispensary, as also 5 permanent & 1 temporary vacancies subsequently caused by retirement &c.,

J.

6. I append a list shewing men entertained by me. The list shews at a glance men appointed on the permanent strength and those that are appointed on probation and on temporary tenure.

7. The number of vacancies for which men were wanted were, therefore, not 12 plus 3 only, but 31 permanent and 5 temporary or 36 in all.

8. The number entertained up to now is 21 permanent & 4 temporary.

9. Of those shewn in the appended list 3, viz,- S. A. Manicka Moodr., B.P.Seth & Panchanadam Pillay have resigned, and the services of one Sivasamy Pillay have been dispensed with.

10. How many more are going to resign, I cannot at present say.

11. The number that has still to be entertained is 15, viz,- 12 permanent & 3 temporary,- and two to fill up vacancies caused by loan of the services of 2 permanent men to the D.P.W. for duty at Kannambady Reservoir Works.

12. Now the Comptroller in his No.6520/T.A.M.1165 dated 27th April 1912, copy enclosed, refuses to authorise disbursement of pay to those appointed by me over and above the number required for filling up the 12 permanent and 3 temporary vacancies that existed in August 1911, i.e., before the Govern ment sanctioned the reserve of eleven and for filling up which I sought permission in my No.G.85 dated 25th August 1911.

13. All that I now beg for is that orders should be kindly issued to the Comptroller for disbursement of pay whatever the same may be within the fixed scale, to <u>all</u> those that I have hitherto entertained and may hereafter entertain to fill up the actual number of vacancies in accordance with the terms of Government Order No. 3172-3/Med. 5-3-11 dated 2nd November 1911, so long as I do not exceed the total number sanctioned by the Government.

14. I shall shew in list <u>A</u> only those that have been

taken

taken on as 1st Class Sub Assistant Surgeons on their being duly qualified M.Bs or Licentiates in Medicine & Surgery and such as are started on an initial salary of Rs 30/- per mensem as 4th Class Sub Assistant Surgeons, and all others I shall shew in list B.

I attach a memo to shew clearly how there are 12 + 3 + 2 vacancies yet to be filled up.

I have the honor to be,

Sir,

Your most obedient servant,
